DIRECTOR NOT RECOMMENDED

The Board of Selectmen acted on a written request of Mrs. Gloria Rounds at their regular meeting. Following receipt of this request by Mrs. Rounds that she be appointed Director of the Council on Aging, the Selectmen set up a meeting with the members of this body and discussed the matter at 7:15. It was the opinion of the members of the Council on Aging that, at this time, the town neither needed or could afford a full time director. The Council members reported that they are still trying to locate someone who could serve as a senior aide with a salary to be paid by Federal program. At 8:15 that same evening the

Board of Selectmen met with Mrs. Rounds who requested that she be appointed Director of the Council on Aging. The Board advised her that they recognized the outstanding job that she has been doing as a member of the Council on Aging but that they were not ready or willing to make any appointment as Director without such recommendation from the Council on Aging. The Board advised that the recommendation had been otherwise.

RICHARD WATERHOUSE RESIGNS

Selectmen received a letter of resignation dated September 1 from Richard Waterhouse, chairman of the Board of Library Trustees. Mr. Waterhouse said that his resignation effective that date was submitted with deep regret. He said that an operation set for September 24th which would require 6 to 10 weeks convalescence would coincide with the completion of plans and estimates for alterations at the Mattapoisett Library. Mr. Waterhouse said that a full Board should be available to follow this project to its completion.

Selectmen were notified of a Board of Appeals decision on the application of Eunice Sawyer to display and sell arts and crafts items not made by the owner on the premises. The Board of Appeals denied the request as not meeting the conditions for variance of the Zoning By-Law.

EEL POND PROBLEM SEEN

The Board of Selectmen have written Commissioner Malcolm E. Graf of the Mass. D.P.W. They stated that Frank Maguire visited Mattapoisett on August 27 and presented plans for limited improvements to the Eel Pond. This plan envisioned the dredging of a 30 foot wide channel for about 500 feet. It showed no jetties, no riprap to stabilize the channel. The Board of Selectmen feels that every major storm could fill the channel and the money and time spent on it would be a complete waste. The Board feels that the width of the channel could be reduced, if necessary, and the length shortened in order to reinstate the

To the Editor

A REJECTION IS A VICTORY

The Mattapoisett Council on Aging met with the Mattapoisett Board of Selectmen Tuesday, September 3rd, at 7:15 P.M.

Mrs. Gloria Rounds was the last one to arrive and sat on the vacant chair to the right of the door. She looked at the group and her intuition told her why this meeting had been called. It climaxed from several events in the past few months.

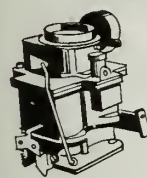

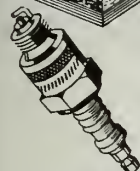

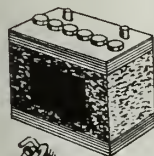

It came as a great surprise to Mrs. Rounds that requests had been made to the Board of Selectmen by prominent persons and officials of the area on region and state levels that she be appointed Director. Learning of this and after much thought, to justify the faith placed in her, she followed the proper procedure, and sent each member of the Board of Selectmen a letter requesting the appointment and then made an appointment with the Selectmen, which was to be later that same evening to speak with them.

At 7:15 P.M. the chairman of the Board of Selectmen informed the Council members of Mrs. Rounds' request and read a letter stating that a town the size of Mattapoissett did not require a director.

Mrs. Rounds stated that although the town does not require a director it does need a director. She stated she does not want a salaried position, part-time or otherwise, she is not looking for money for herself but is dedicated to the town's seniors and elderly. With the pros and cons presented by Miss Emily Perry that a salary has to be paid, Mrs. Rounds said she would do it for \$1.00 a year to make it legal. She told Mrs. Sophie Sterling that a director would never return the sum of \$1329.50 to go into the general fund of the town and said that money could have done a great deal for the elderly.

Mr. Robert Silveira, chairman of the Board of Selectmen, asked members, one by one, if they were satisfied with the present arrangement, and each member: Mrs. Sterling, Mr. George Correa, Mrs. Louise Stone, Mr. Earle, Miss Emily Perry and the Rev. King answered "yes". When it came to Mrs.

Rounds, she answered "no".

The Board of Selectmen said they would not appoint a director at this time because of the vote of the council members. They said that as Mrs. Rounds had an appointment later with them they would listen to all that she had to say. The members of the Council left the Town Hall.

At Mrs. Rounds' appointment and meeting with the Selectmen she had a great deal to tell. Many senior voters and interested citizens were present to support her. The Council on Aging holds its meetings the second Tuesday of the month at the Town Hall at 1:30 P.M. and is open to the public and no closed doors. This

So, really it was a great accomplishment and victory because instead of Mrs. Rounds having to carry the burden alone as Director all the citizens of the town will be "Directors".

Letter to the Editor

The Daughters of the American Revolution asks us all to be reminded that September 17-23 is Constitution Week. Here in Massachusetts the Governor proclaims it so - as in many other states.

Honoring this time it might be of interest to learn that Benjamin Franklin was 81, the oldest of the 55 men who were framers of this precious document. The youngest, named Dayton, was 26. Fourteen were over 50 - 21 less than 40.

There were 25 college men - 18 had been officers in the Continental Army - one had been a British army officer before the Revolution. Thirty-four were lawyers or men who had at least studied law - six had been or were to be State attorney generals, five chief justices of the State Supreme Court, three national judges and five justices of

FESTIVAL OF THE HARVEST MOON

Plymouth County Development Council executive director Brooks Kelly has announced that the council will assist the Wareham Bicentennial Committee in advertising and promoting The Festival of the Harvest Moon.

The all-day event, scheduled for September 28, in Onset, is a revival of an annual event started in the 1800's and still popular in the days of World War I. The old festival honored the American Indian. The 1974 version is dedicated to all ethnic groups.

Festival of the Harvest Moon events include a mammoth parade starting at 10 A.M., exhibits of arts and crafts and Indian lore, waterfront entertainment and harbor sight-seeing tours as well as an address by Governor Francis W. Sargent. The day's activities wind up with a gala night time Folk-Americana Concert featuring name recording stars.

RK Shampoo's naturally-organic,
acid-balanced protein formula
leaves your hair feeling stronger
and visibly healthier after the first
application. The special protein
properties in RK Shampoo ab-
sorb into the hair, will not leave
residual shampoo build up. In
fact, RK Shampoo is so good for
the hair the second sudsing can
actually be left in for extra condi-
tioning action.

The cure for tired, damaged, frizzy, sun-bleached
over-dry hair is RK Protein Reconditioner. This natu-
rally-organic, acid-balanced protein reconditioner is
hydrolyzed to the correct molecular size so as to
actually rebuild damaged hair fibers. The protein in-
gredients in the RK Protein Reconditioner become
part of the hair structure itself; starved, undernour-
ished hair receives this "protein food" and comes to
life again.

A Tribute

WILLIAM A CLOUGH

"Call me Clough or call me Cluff," he said when I asked him how he pronounced his name. "I'll answer to both. I am a Scotsman." I did not know him very long, but first impressions are lasting ones. The Presto Press and Herb Arral's Senior Scene is what brought about our acquaintance. We had many telephone conversations before actually meeting. He made an appointment with me to be at the Sippican Senior Center. He was waiting for me. I instantly liked and admired this dignified good looking gentleman. I was saddened by his death as was everyone who knew him. Whenever I drive into Marion or stop in at the Sippican Center I think of him and feel my life was enriched by knowing him.

His memory will live on forever. The Sippican Scholarship Fund has been named "The William H. Clough Memorial Fund" and it is made from donations and contributions at the Drop-In Center in Marion. It was his project.

For 20 years he worked as a reporter, city editor, Sunday editor and free lance writer for the New Bedford Standard-Times. While living in Wellesley, Mass. he was director of public relations in the Boston office of a New York based hospital fund-raising firm, until he retired and purchased his home on Converse Road in Marion. He was a member of the First Congregational Church in Marion and active in its affairs. He was the chairman of the Marion Council on Aging and a member of the Sippican Seniors.

He passed away August 14th. It may have seemed unexpected, but he knew his days were numbered and he used them well. The Memorial Service was held Saturday, August 17th at the Marion Congregational Church. The Rev. George Robinson officiated. Burial was in the Old Landing Cemetery, Marion.

There were many mourners and many paid their last respects to this dedicated man, and eyes become misty when his name is

MYC CONCLUDES SERIES RACING

Saturday, August 31, at Mattapoisett Yacht Club, marked the concluding date of series racing for the season - and a full schedule it was! A make-up race added to the usual Beetle Cat double-header and a contest for handicap yachts in Cruising Class B filled the harbor with sails.

The pleasant combination of warm temperatures and steady SW wind - typical Buzzards Bay weather - prevailed throughout the afternoon.

Three craft were entered in the Class B competition, vying for the coveted Charles H. Whalen Memorial Trophy: John Malcolm's Witch of Agnesi, Susan McGowan's Gryphon, and Fred Caruso's Kells 23. John Malcolm was the victor, completing the 6:75 mile course in 1:54:44 (corrected time), a narrow 00:00:17 ahead of Susan McGowan.

The Beetle Cat opener proved to be a nip and tuck battle between Jimmy Broadwater's Agamemnon and Harvey Pentleton's Swamp

Fox all along the way to Mattapoisett Neck MYC guide buoy, to Barstow Rock Red Nun 6, to Ned's Point MYC guide buoy, and finish. It ended with Pentleton out front, but by only nine seconds.

In the next race, Dave Jenney's Ariel won the starting advantage and continued on without challenge to score easily. Broadwater's Agamemnon and Phil McCarthy's Wolf trailed by 1:55 and 3:25, respectively.

The final Beetle Cat race, characterized by changing leads and a split-second finish, saw Dave Jenney first across the line, hard-pressed by the other contenders. At the first marker the line-up became: Phil McCarthy's Wolf, Dave Jenney's Ariel, and Harvey Pentleton's Swamp Fox. On the second leg, however, the alignment shifted again, as Ariel edged forward to recapture the lead, Wolf dropped back to third place, and Swamp Fox gained second. After rounding the last marker, the seesaw contest took on a different turn. Swamp Fox began to close the gap, then narrowly passed Ariel to win by 2-3 inches.

LABOR DAY RACES AT MYC

Mattapoisett Yacht Club ended its racing season with a flourish, as 27 boats in five divisions entered the final event, the Special Labor Day Races, held on Sunday, September 1. Top honors went to

It was a hazy day of light S-SE breezes, shifty in the morning, but a more sustained 5-10 miles in the afternoon.

The starting gun at 10:30 A.M. sent the Herreshoffs on their way, followed shortly by the five Beetle Cats in the Ladies' Race. It was Dave Jenney's Jan Cap over Ann Donald in Minnow; and Tricia McCarthy bested Faith Jenney's Ariel.

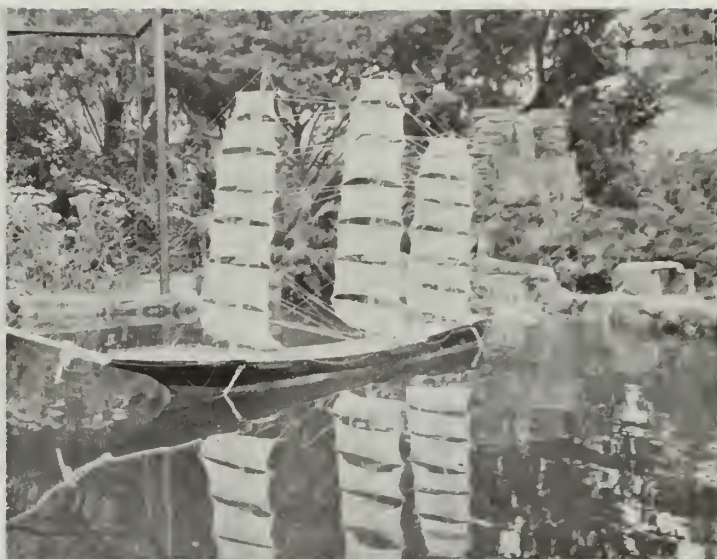

The afternoon's activities featured a larger and more varied slate, including such craft as the Laser, 420, Herreshoff, Day Sailer and Beetle Cat.

Under the Portsmouth Number System two Lasers and a 420 sailed for the planing hulls, and a Herreshoff and a Day Sailer for the displacements. Kevin O'Leary's 420, U.S. 12127, outdistanced the Lasers, and the Herreshoff, Minnow, skippered by C. Bigelow placed in the latter group. Their course took them to Sunken Ledge Black Can 5, to Ned's Point MYC guide buoy, to Nun 4, and finish.

The popular Beetle Cat Open, as always, was both fast moving and unpredictable. Dave Jenney's Ariel, leading the 14-boat fleet at the start, was overtaken shortly by Harvey Pentleton's Swamp Fox; then Jimmy Broadwater in Agamemnon came from behind and Phil McCarthy's Wolf moved up. The concluding tally read: Jimmy Broadwater, Harvey Pentleton, and Phil McCarthy (in that order).

Yacht Club was held at the clubhouse on Sunday afternoon, September 1, for the presentation of awards, the transaction of general business, and the election of officers.

The high point, as usual, was the presentation of the various trophies and, new this year, medallions (which replaced the customary flags) to both Series winners and winners of Holiday Races. In addition, three outstanding Juniors were cited: 1) Pam LeBlanc for sportsmanship - the Dr. L.F. Potter Memorial Trophy; 2) Paul Smith, for Scholarship - the Lucy Agnalt Award; 3) Robert Atkinson, for best racer.

The J. Lewis Stackpole Trophy went to Susan McGowan and the Charles H. Whalen Trophy to John Malcolm.

In conclusion, the following slate of officers was submitted and accepted: Mrs. Ann Donald, commodore; Harvey Pentleton, vice-commodore; H. C. Broadwater, rear-commodore; Berthold Putman, treasurer; L. F. Klein, Jr., secretary; Maurice Downey, at large.

Races were scheduled for Juniors at 9 A.M., Open for the Merwin Trophy at 10 A.M. and Senile Sea Pups at 11 A.M. on Saturday, Sunday and Monday. Because of the lack of wind on Saturday and Sunday, the Senile Sea Pups did not race. The Juniors and Open races started out in soft breezes but the wind disappeared and the bay was calm by 11 A.M. On Monday, all races were cancelled because of the northeast storm.

(weather permitting on the sidewalk leading to the church) for Crib Room, Nursery, Kindergarten and Grades One through Six. Children will be registered that morning if they are accompanied by a parent (preferably both)! The parents are asked to be prepared to stay with their child or children for the first half hour.

Mrs. Ruth McPhetridge, Church School superintendent, announces that there is still a need for two more teachers and hopes that before the children's registration volunteers will come forward to fill this need.

OLD ROCHESTER REGIONAL SCHOOL DISTRICT PUBLIC ANNOUNCEMENT

The Old Rochester Regional School District and School Superintendency Union #55 today announced a free milk and free meal and reduced price meal policy for school children unable to pay the full price of milk and meals served in schools under the National School Lunch Program. Local school officials have adopted the following family size-income criteria for use in determining eligibility.

INCOME ELIGIBILITY CRITERIA FAMILY SIZE AND GROSS INCOME SCALES

Family Size	Maximum Gross Income For Free Milk & Free Meals	Maximum Gross Income For Reduced Price
One	\$ 0 to \$ 2,910	\$ 2,911 to \$ 4,080
Two	0 to 3,830	3,831 to 5,360
Three	0 to 4,740	4,741 to 6,630
Four	0 to 5,640	5,641 to 7,900
Five	0 to 6,480	6,481 to 9,070
Six	0 to 7,310	7,311 to 10,240
Seven	0 to 8,060	8,061 to 11,290
Eight	0 to 8,810	8,811 to 12,340
Nine	0 to 9,510	9,511 to 13,320
Ten	0 to 10,190	10,191 to 14,260
Eleven	0 to 10,860	10,861 to 15,200
Twelve	0 to 11,530	11,531 to 16,140
Each Additional Family Member	670	940

Children from families whose income is at or below those shown are eligible for milk and meals free or at reduced prices. In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Parents should clearly understand that every meal served in schools is subsidized to a greater or lesser degree by State-Federal reimbursements. Those lunches served at full price are subsidized as well as those served free or reduced. Therefore, there should be no reluctance to apply for either a free or reduced price meal. If your family size, and gross income is within the "Income Eligibility Criteria" for free or reduced price meals, we urge you and all eligible parents to fill out the application. The intent of these programs is to improve the nutrition of all children.

They may do so by filling in the application forms sent home with a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year. In certain cases foster children are eligible for free milk and free meals or reduced price meals regardless of your family income. If you have such children living with you and wish to apply for such milks and meals for them, please file a separate application for each child.

Under the provision of the policy the Business Manager will review all applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may make a request either orally or in writing for a hearing to appeal the decision to Mr. Andrew J. Santos, c/o Superintendent's Office, Marion Road, Mattapoisett 02739.

Hearing procedures are outlined in the policy and a complete copy of the policy is on file in the office of the superintendent of schools where it may be reviewed by any interested party.

The policy also provides that there will be no identification and/or discrimination against any child because of his race, sex, color, national origin, or ineligibility to pay the full price of the meal.
